Dear FRIENDS of the Voluntown Public Library,

The Community Calendar holds many wonderful opportunities as the warmer weather slowly returns. Picnics, trips, music, suppers and the Library's Summer Reading Program. As Dr. Seuss said, "Oh, the places you'll go!" Check it out...and enjoy!

We gladly report that our graphics consultant, Paula Jordan, is recuperating from a successful surgery. We are grateful that all went well.

Summer means school is out, so please keep a close eye out for our children. If you have an elderly neighbor, please keep them in mind as the heat becomes a danger and check on them occasionally. Protect yourself as well from summer's little annoyances, like mosquitoes and ticks. Use sunscreen, wear sunglasses and a hat! We like having all of you around to read our little town's newsletter! And remember, if you would like to place an ad here, call Anne Olsen at 860-376-2370

Until next time...

From the Substitute Librarian's Desk:

The Library would like to thank everyone who brought items for recycled crafts for the Summer Reading Program. We have a huge amount of plastic lids, cardboard paper towel tubes and plenty of other requested items needed for the kids to make crafts from throwaway items.

Summer Reading begins with registration on June 21. If the weather is good, registration will be held in the gazebo. The summer's schedule is on the next page. Hopefully, you can join us for many of the activities. Please pre-register for each activity so we know how many children to plan for.

By completing activities and participating in programs, children will be able to earn raffle tickets for prizes given at the end-of-the-summer party. Completing activities will also allow children to earn pennies to support a local non-profit organization. Also, check out the games, activities and educational websites on the Library's website. Go to www.voluntown.gov and click on the library's Kid's Link.

The July book club selection is "*A Salty Piece of Land*" by Jimmy Buffett. Join cowboy Tully Mars as he and his horse share Caribbean adventures, searching for a salty piece of land with eccentric 101-year-old Cleopatra Highbourne.

The August book club selection is "*Olive Kitterage*" by Elizabeth Strout. Thirteen linked tales, all starring seventh grade math teacher Olive, cover a period of thirty years, focusing on heart-wrenching and penetrating portraits of ordinary coastal Mainers living lives of quiet grief intermingled with flashes of human connection.

From the Selectmen's Office

The Board of Selectmen would like to thank everyone who attended the Town Budget Meeting. Both the Town Government and the School Budgets were approved.

The Selectmen are applying for two STEAP grants. One would be to change the intersection at the junction of Route 165 and Church Street from a "V" to a "T" intersection and the other would continue the work on a new Town garage.

With the start of the summer season, a "Parking Permit" system for the Town beach has been instituted. The permit may be obtained at Town Hall during regular business hours. Out-of-town Connecticut residents will pay \$50 for a season pass and out-of-state visitors will pay \$100 for a season pass. Town residents must obtain a permit for which there will be no charge. The permit fees will be used to help offset the expenses of operating the beach. The parking area will be patrolled to ensure permits are in place.

Unfortunately, lifeguards will not be on duty at the beach this year. The beach has been posted that "Swimming is at your own risk". In addition, "Beach Rules" will be posted and will still apply. Please do not leave children unattended. We hope everyone has a safe and enjoyable beach season.

I am always available to address your questions or concerns. Please do not hesitate to call the Selectman's office at 376-5880 and I will be glad to help you.

News from Aura Hall

Combining heritage, family and summer is a given in New England. A big “Thank You” goes out to all who supported the Aura Tori /Bake Sale, Accordion Concert and Dance, Chicken Barbecue, and pulla baking! Everyone is happy to share our heritage and commitment to others.

Did you know that the national symbols of Finland are the whooper swan, birch tree, lily of the valley and white rose? Did you know the Connecticut state symbols are the robin, charter oak (white oak) and mountain laurel? These symbols open the door to the deeper meaning of heritage and diversity. Despite our losses of Mrs. Hartikka’s sister, Mrs. Hollister and Erik Anderson through “sisu” (Finnish and New England perseverance), we keep the joyful memories and send positive thoughts to families and friends!

By popular demand, the Central Massachusetts Accordionists played music for an enthusiastic audience on May 28th. The delicious chicken barbecue was prepared under the new grill and shelter built by Tyler Rafeldt, with the generous teaching and support of Gene, Ira, Derek, Forrest, Lars and Boy Scout Troop 74. Tyler wrote, “The year long mission showed me that with proper organization, help from others, and a constant motivation to do well, anything is possible. I would like to once again thank everyone who donated their time, money, or support to the project. I’m glad I chose building a barbecue pit and shelter for Aura Hall. I was able to give back to my own town, Boy Scouts and the Finnish community.”

Upcoming summer events include:

Saturday, July 16—Joint FAHS/AURA Summer Picnic at Aura Hall, 2:00 p.m.

Sunday, August 14—Annual Pancake Breakfast and Bake Sale, 8:00-11:00 a.m. Enjoy Finnish and American Pancakes and other breakfast treats. Pulla and bake sale items will also be available.

Saturday, September 3—Labor Day Dance

Saturday, September 10—Farmers’ Market

Saturday, October 1—Country Western Night

Saturday, October 28—Annual Adult Halloween Party

Saturday, November 5—Craft and Surprise Sale

Sunday, December 11—Annual Christmas Party, 2:00 p.m.

If you have a desire to explore Finnish culture, gain some agricultural and nature secrets, or just want to have fun, come to our events and meetings. Everyone is always welcome! You don’t have to be a member to attend. For more information about our year’s events call (860) 376-4833 or 376-1900.

Happy Summer!
Lili Rafeldt

Scouting Around Town

Pack 74 — Cub Scouts

Scouting is Fun with a purpose!!! Pack 74 Cub Scouts would like to give a Big Thank You to all the Tiger, Wolf, Bear and Webelos leaders, parents and volunteers who helped make this Scouting year fun and successful! We would like to introduce our new Cub Master, Joe Dannibale and our new Assistant Cub Master, Dean Wittwer.

The Tiger Den completed a project making birdhouses for Mothers' Day this year. The Tigers also enjoyed going bowling together and preparing a skit for our end-of-the-year campout.

The Pack's Spring Service Project was to clean up Finn Beach, the Memorial Day parade route and Constitution Field. The Memorial Day Parade was also a great day for our Cub Scouts to show their appreciation and patriotism for our country.

Cub Scouts enjoyed campouts in May and June this year in the Pachaug State Forest. The boys participated in many activities together, including hiking, fishing, kickball, rocket launching, campfire, Pack meetings...and Fun!!

Webelos finished their Naturalist and Engineering badges this spring and look forward to working more closely with Boy Scouts.

Come join the fun of cub Scouting as a family! We welcome all boys ages seven to ten to join our Pack. Joining night for Cub Scouts will be held at Voluntown Elementary on Thursday, September 15. If you would like more information about joining our Pack as a Cub Scout, leader or volunteer, please contact our Cub Master or Committee Chair at 860-564-6122 or vklements@yahoo.com.

Come and relax on Tamarack's expansive lawn and listen to the best bands Southeastern Connecticut has to offer. Go to our website at www.tamaracklodget.com for more details and the bands' schedules.

New this year is our Friday dinners and open mic night. Dine outside under the stars, in our Italian Pergola or in our rustic dining room. Dinner is from 5:30 p.m. until 8:30 p.m. and the music begins at 7:00pm. See the Friday night menu at www.tamaracklodget.com.

NEIGHBORHOOD BLOCK PARTIES begin Thursday, July 7, 2011. Come enjoy Happy Hour Hors d' Oeuvre while they last and, if so inclined, take a dip in the pool, or just relax poolside. Happy Summer From Girl Scout Troop 63134!

It's summertime and the Girl Scouts are enjoying time with their families and hoping to fit in a couple of Girl Scout activities for fun. Plans are in the works!

In June we attended a Spring Camporee at the CCC Camps in Pachaug State Forest. The girls participated in activities with about seventy other Scouts from the surrounding towns. The theme for the weekend was "Westward Ho!". The girls had to construct a "wagon" and travel in it to seven different stations. At each station was a challenge they needed to complete to get clues for directions to the next station. The challenges the girls faced were fun and they even had to ward off the "Nameless Hollow Scout" and the "Beaver Swamp Monster"! The girls learned simple knot tying, first aid, fire building and, most importantly...teamwork!

In July we are planning the end-of-the-year Court of Awards. In addition, there are special plans in the Fall for the Scouts who earned their Bronze Awards.

As always, we encourage all girls who are in kindergarten through high school to join Girl Scouts. We are also looking for adults to help guide and shape the girls through their years in Scouting. If you have any questions, please give me a call (860-376-0364)

What's Up On the Hill?—Ekonk Community Grange

In the last issue I wrote that Spring had sprung on Ekonk Hill. Well, we certainly had plenty of Spring rains which held farmers across Ekonk from working their fields! This writing finds corn coming up in neat rows, hay fields shorn of their first harvest of 2011 and plenty of fresh strawberries to be picked!

Our Annual Fair will be Saturday, August 13, from 9:00 a.m. to 2:00 p.m. This is due to a wedding of one of our active Grangers. Jon Hermonot, a member of the State Grange Agricultural Committee and partner in the Ekonk Hill Turkey Farm business, is getting married the afternoon of the second Saturday of August!

We have also postponed our August Peach Shortcake Supper to Saturday, August 20, so we can attend Jon's wedding. The Peach Shortcake Supper will begin at 5:00 p.m., featuring roast pork at a cost of \$12.

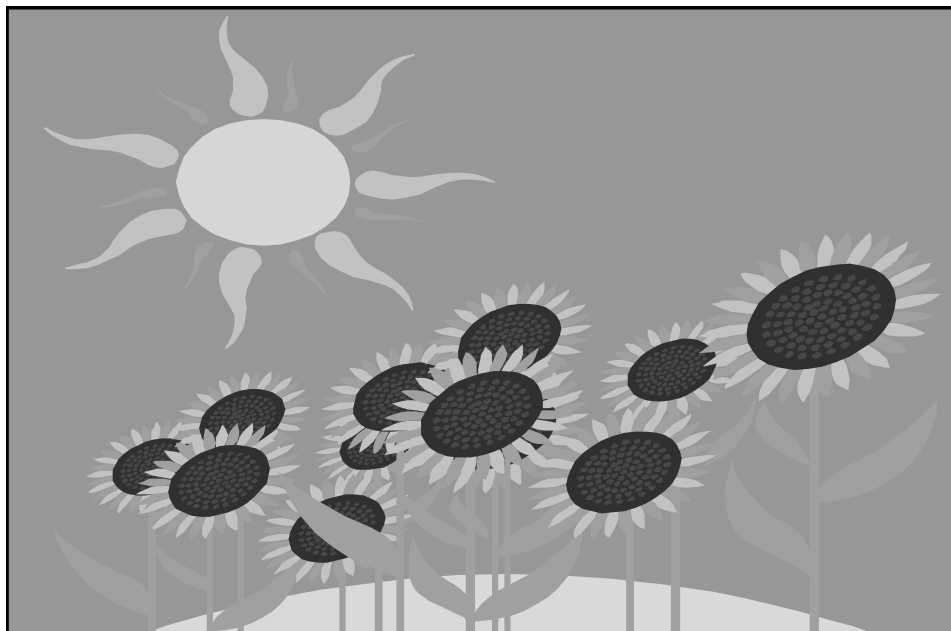

In other news, Betsy Molodich and Rebecca Gervais planted a garden of butternut squash on the Grange property. The produce will be donated to a local soup kitchen.

Congratulations to Presidents-elect J. Allen Cameron of the Subordinate Grange and Trevor Gervais of the Junior Grange. Their installation will be held in the early Fall.

Happy 100th birthday to 78-year Ekonk Grange member Hazel Opperman! A small delegation participated in her birthday celebration and took her flowers from our Grange.

A Membership Drive and supper will be held on July 31 at our hall. If YOU are interested in learning more about our group of community service volunteers, call 860-564-2131 and you will be added to the invitation list. Why not call?

Fire House Smoke

At its recent monthly meeting, members of the Voluntown Fire Department observed a moment of silence to remember Raymond “Skip” Millar, Jr. and Bernie Jaffraint. Skip was a sixty-year member of the Department, as well as Fire Marshal, Chief of Police and very active in our festivals and town politics. Bernie was a longtime member and very active as an EMT on our ambulance

The Department wishes to acknowledge the achievements of its two newest Emergency Medical Technicians...Vicki Schwery and Emile LePage, Jr. Vicki and Emile join their fellow EMTs to provide emergency medical care to the residents of Voluntown and neighboring communities. Congratulations are also in order for Monique Williams and Harvey Adams for obtaining Firefighter I Certification after months of training at the regional fire school

As a safety reminder to all, residents are asked to clearly post their address number on mailboxes and homes as this is still problematic. Those with shared driveways should also include directional signs to help direct emergency responders to the correct address. In an emergency situation, every minute counts and could make the difference between life and death.

Finally, when you come upon our Fire Police on the roads, PLEASE approach at a slow speed and follow their directions. They are there to keep our emergency responders safe as we respond and tend to emergency scenes. Fire Police are there to keep EVERYONE safe!!

The summer months are upon us, so be sure to include safety in all of your activities. We wish everyone a fun and safe summer season.

Jody Grenier
Fire Chief
